Message by Hon Secretary and Principal

**Shri Shrimant Malojiraje Chhatrapati,
Honorary Secretary – AISSMS**

The AISSMS has a distinctive mission and history that set us apart from the other educational societies. The interests of stake holders, namely students, parents, and above all, society will always remain at our top priority. We strive to develop every individual to his or her best potential. I welcome all the students joining us at the AISSMS Polytechnic to become a part of our fraternity and promise them rewarding experiences they shall cherish and relish for the rest of their lives.

**Prof S.K. Giram
Principal, AISSMS Polytechnic**

It gives me immense pleasure to invite aspiring students who are keen to make a best career in technical field as a good technocrat. The diploma holders play very important role in industrial and economic developments of the country. They develop and master specialized skill in the chosen areas and provide much needed supports in any engineering establishments. Also the students having diploma in engineering provides support services in various other sectors of economy, including service sector. AISSM Society's Polytechnic is among the top reputed technical institutes imparting high quality technical education. The evolution of the institute over the past two and half decades has witnessed strong blend of state-of-the-art infrastructure and intricately intertwined human resource committed to providing professional education with trust on creativity and innovation. Here at AISSM Society's Polytechnic, we are imparting skills and knowledge to our students in the best possible manner to make them dream big and fulfill the same. It is rightly said that a dream becomes a goal when the action is taken towards its fulfillment, and we are committed to providing optimistic, independent, compassionate, life-long learners and leaders who will bring glory to the institute, state and the nation.

"The tradition of excellence is ours, the choice is yours."
