About Information Technology Department

We started our journey in the year of 2001.

Innovation with intellectual mind is essential in order to become a talented IT professional. The world of education is changing as the modern world continues to grow. In this modern day and age, information technology plays a big role. Information Technology is one of the most promising and rewarding field. Information technology is the study and use of systems for storing, retrieving, and sending information. This can include software, hardware, applications, and so much more. Business, education, and even healthcare have all been redesigned, thanks to information technology. Due to the importance and reputation of IT, the present age is sometimes referred to as information technology age.

HOD Information Technology Department

It gives me immense pleasure to lead the department of Information Technology. An Information Technology degree is one of the most aspired degrees today for both undergraduate and post graduate students.Information Technology can be used widely in all the sectors of the economy and even in the education sector so it has become the most preferred career option all over the world. It offers a bright future for the innovative and growth oriented students.One of our main objectives is to overcome the gap between theories and practical that will help them to become career-oriented and to work at global level.The motto of our department is to provide quality education. Our Academic Staffs are all well qualified in the relevant areas. Academic standards, practical work, self-discipline and responsibility are the some key parameters as far as the Department is concerned.I wish all the Students and Faculties a great academic career.

Tree Plantation

The Tree Plantation program was recently organized Information Technology department which saw over 50 students with staff members actively participated and planted more than 25 trees.

Social commitment awareness in the student, the department has taken an initiative of Tree Plantation. At AISSMS's ITI Boribhadak student and teachers together planted more than 25 trees.

This activity is conducted on 21/07/2018

Personality Development

With this motive AISSMS's Polytechnic is tie up with the Institute of Holistic Healing India, Pune and conducted various personality development programs for as well as for faculty.

These programs cover the various aspect of personality development like as: Knowing your personality, Communication skill, Time Management, Aptitude Training, Interview Technique, Resume Writing and much more for students.

For the faculty motivation we have conducted personality development program on Team Building, Leadership, and Time Management   for Teaching and Non-teaching staff.

Counseling for Students &Teachers

Counseling plays an important role important for students and faculties in bringing out the best in them. Through counseling, they are given advice on how to deal with emotional conflict and personal problems so that they can enjoy their duties and responsibilities.For this, AISSM Society has arranged a counseling facility to all the staff of our institute.

In AISSMS's Polytechnic students are given proper counseling on how to deal with personal problems which can impact their studies.Through such sessions, the students will be able to develop certain problem-solving skills which help them deal with particular issues surrounding their lives. In counseling, we focus on stay away from addictions

The staffs of our institute are given proper counseling for doing their work effectively and to live life stress free. These sessions also help staff to live in peace and harmony with others at the institute.

BloodDonation Camp

On the Occasion of Teacher's Day Blood Donation Awareness Camp was organized jointly by AISSMS's Institute of Management & Polytechnic in collaboration with R G Gholap Blood Bank. The function was inaugurated by hands of ShriMalojirajeChhatrapati, Hon. Secretary AISSMS, in presence of, Shri Rode, Chairman Lions International, Pune and ShriRohidasGholap, Director R G Gholap Memorial Blood Bank Thalassemia Center, and Shri Suresh Shinde, Hon. More than 150 students participated in blood donation drive There were active participation by large number of students in various activities like Rangoli competition, Slogan Competition, Poster making Competition, Seminar on Hemoglobin Awareness, Seminar on Women Health, Debate on Blood Donation and Hemoglobin Check up and many more. The program was coordinated under the guidance of DrAbhijitMancharkar, Director AISSMS IOM and Mr S K Giram, Principal AISSMS Polytechnic.

Parent Teachers Meeting

During the academic year, information technology department invite parents to come in for regular parent-teacher meetings. In odd semester we held meeting on 30/7/18. In Even semester we held meeting on 05/1/19.

Teacher's Day Celebration

Teachers' day is celebrated by information technology department students on 5th September 2018, the birthday of the former President Sarvepalli Radhakrishnan, a well-known scholar, teacher and promoter of education. On this special day, students celebrated the contribution of teachers.

Engineer's Day

On 15 September every year as a tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya. His birthday, 15 September is celebrated as the Engineers day by IT department & this event celebrate with Quiz competition of students.

Industrial Visit

objectives of industrial visit is to provide students an insight regarding internal working of companies. We know,theoretical knowledge is not enough for making a good professional career. With an aim to go beyond academics, industrial visit provides student a practical perspective on the world of work.
