## About Information Technology Department

We started our journey in the year of 2001.

Innovation with intellectual mind is essential in order to become a talented IT professional. The world of education is changing as the modern world continues to grow. In this modern day and age, information technology plays a big role. Information Technology is one of the most promising and rewarding field. Information technology is the study and use of systems for storing, retrieving, and sending information. This can include software, hardware, applications, and so much more. Business, education, and even healthcare have all been redesigned, thanks to information technology. Due to the importance and reputation of IT, the present age is sometimes referred to as information technology age.

I/C HOD Information Technology Department

It gives me immense pleasure to lead the department of Information Technology. An Information Technology degree is one of the most aspired degrees today for both undergraduate and post graduate students. Information Technology can be used widely in all the sectors of the economy and even in the education sector so it has become the most preferred career option all over the world. It offers a bright future for the innovative and growth oriented students. One of our main objectives is to overcome the gap between theories and practical that will help them to become career-oriented and to work at global level. The motto of our department is to provide quality education. Our Academic Staffs are all well qualified in the relevant areas. Academic standards, practical work, self-discipline and responsibility are the some key parameters as far as the Department is concerned. I wish all the Students and Faculties a great academic career.

### Tree Plantation

The Tree Plantation program was recently organized Information Technology department staff members actively participated and planted more than 25 trees.

Social commitment awareness kept in mind, the department has taken an initiative of Tree Plantation. At AISSMS's ITI Boribhadak student and teachers together planted more than 25 trees.

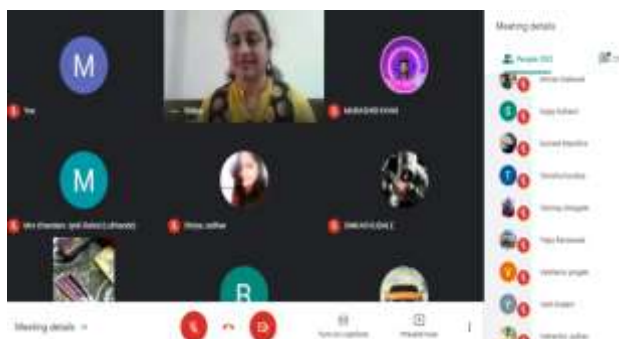

This activity is conducted on 26/08/2020

### Personality Development

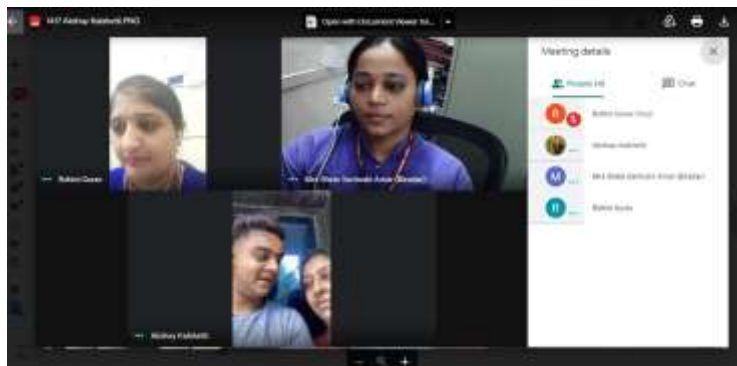

With this motive AISSMS's Polytechnic is tie up with the Institute of Holistic Healing India, Pune and conducted various online personality development programs for students

These programs cover the various aspect of personality development like as: Knowing your personality, Communication skill, Time Management, Aptitude Training, Interview Technique, Resume Writing and much more for students. The duration of this session is 2/11/2020 to 07/11/2020.

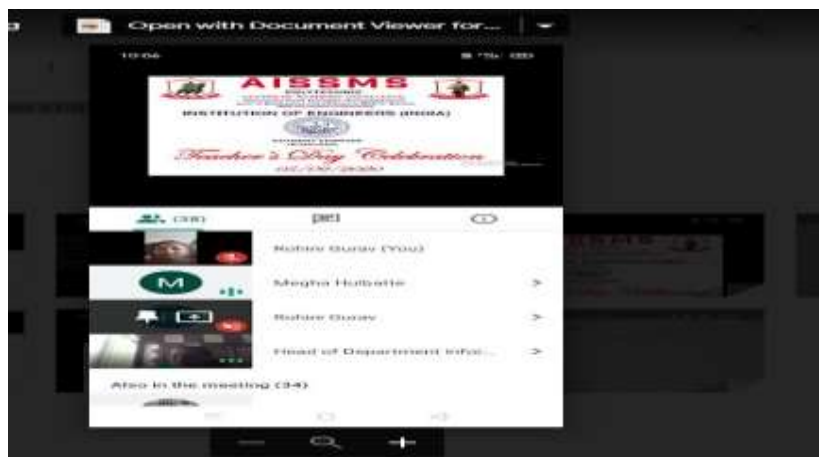

### *Parent Teachers Meeting*

During this academic year Coronavirus Pandemic due to this reason , information technology department invite parents to come in for regular parent-teacher meetings on platform of virtual parent meet as per counselor . In odd semester we held meeting on google meet . Duration of this meet is 23/10/2020 to 25/10/2020

### *Teacher's Day Celebration*

Teachers' day is celebrated by information technology department students on 5th September 2020, the birthday of the former President Sarvepalli Radhakrishnan, a well-known scholar, teacher and promoter of education. On this special day, students celebrated the contribution of teachers.

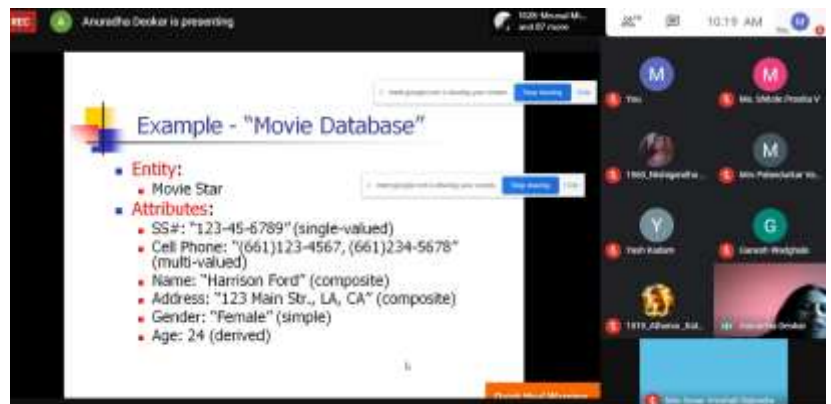

### *Engineer's Day*

On 15 September every year as a tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya. His birthday, 15 September is celebrated as the Engineers day by IT department & this event celebrate with Quiz competition of students.

### *Workshop for students*

Acquirement of Knowledge in a Particular Field: Seminars and workshops provide a chance to interact with experts from the specific field. Discussing about the relevant topics of the particular subject, students tend to learn about the latest information and new skills related to the concerned subject. Our department conducted 3 days workshop for students under the IEI Organization and duration is 22/12/2020 to 24/12/2020

### ***Women's Day Celebration***

The International Women's Day falls on March 8 every year. This day is celebrated to acknowledge the economic, political, social and cultural achievements of women from all walks of life. The day is celebrated globally, highlighting the struggles and achievements of women. Our department also celebrated women's day on 8 March 2021. We took a Virtual program on Zumba Session by Pradnya Papal and women leadership and Yoga by Manjiri Kantak.
