AHALAM SAYYED

Civil Engineering Department had Celebrated Teacher's day on 05<sup>th</sup> September 2022 under IEI student chapter. It's a well-known fact that every year we celebrate 5th September as teachers day in memory of Dr. Sarvepalli Radhakrishnan. On occasion of Teacher's day various competitions were organized by Civil Engineering Department. Topic "Which education is beneficial – online or offline?" was

given for debate competition. Debate competition was organized for third year students and second year students on above topic. Quiz com-

petition was organized between third year students and second year students and they made unique combination of technical questions based on theory and

## PRINCIPAL'S MESSAGE

**Principal**  
**Mr.S.K.Giram**

It gives me immense pleasure to invite aspiring students who are keen to make a best career in technical field as a good technocrat. The diploma holders play very important role in industrial and economic developments of the country. They develop and master specialised skill in the chosen areas and provide much needed supports in any engineering establishments. Also the students having diploma in engineering provides support services in various other sectors of economy, including service sector. AISSM Society's Poly-

technic is among the top reputed technical institutes imparting high quality technical education. The evolution of the institute over the past two and half decades has witnessed strong blend of state-of-the-art infrastructure and intricately intertwined human resource committed to providing professional education with trust on creativity and innovation. Here at AISSM Society's Polytechnic, we are imparting skills and knowledge to our students in the best possible manner to make them dream about big

and fulfill the same. It is rightly said that a dream becomes a goal when the action is taken towards its fulfilment, and we are committed to providing optimistic, independent, compassionate, life-long learners and leaders who will bring glory to the institute, state and the nation. We at AISSM Society's Polytechnic take every care to fulfil the hopes and aspirations of all students by providing them the best physical and academic infrastructure needed to make them competent technical professionals. Our outstanding faculty adds value to

our  
best

## HOD DESK

Department of Civil Engineering is one of the latest branches of Engineering in modern era of technology. It is rapidly growing field with a wide range of job opportunities.

The Technical Education Department aims towards making available the trained and technically qualified hands to serve the industry & society. We are working hard to im-

prove upon the quality of education.

The department organizes Workshops, Expert Lectures, Seminars, Industrial visits and extracurricular activities from time to time to provide our students and faculties to interact with their peers from across the country. Our students are trained to develop a balanced personality and will prove to be an invaluable asset to an or-

## EDITOR'S MESSAGE

Main objective of this newsletter to be published as all activities conducted by our department are to be summarized here on this platform. It is a tool to short way - Communication, long-way - Reader, technical institutions delivering information to our students and parents. This will help to all students as well as parents to know about the various activities, workshops, competitions, organised by our department and keep them updated.

Our department published departmental newsletter half yearly, I hope this newsletter help all the readers to update our activities throughout the semester.

We are thankful to our HOD and Principal to give this opportunity. We are also thank to all staff for cooperating us to prepare newsletter. Also thanks all those who helped us directly and indirectly.

## “ENGINEER’S DAY CELEBRATION-2022”

Civil Engineering Department Celebrated Engineers Day on 15th September. This program was organized by students of SYCE & TYCE class. All the arrangement were done by the students with the help of teachers. The student gave snippet about DR.M.Visvesvaraya. After this the program started by Ganesh Vandana and then traditional lamp lighting ceremony was done by Chief Guest, HOD sir & all the teachers of civil engineering department. The chief guest invited for this program were Mr. Aniket Agrawal & Mr Dipesh Bafna. There were many competition conducted in this program. The speech were given by the student, teachers & Hod sir. Further the program went on with other events

### GUEST LECTURE ON “USE OF THEORETICAL KNOWLEDGE IN ACTUAL PRACTICES” BY MR. DIPESH BAFNA

The guest lecture was organized by Mr.P.V.Kapure on the occasion of Engineers Day. The speaker for this guest lecture were Mr.Dipesh Bafna & Mr.Aniket Agrawal. They gave information on use of theoretical knowledge on civil engineering sites under Design of Steel & RCC Structure.

*“Expert  
Lecture  
fills your  
Brain  
with  
ideas!”*

## ESSAY COMPETITION

On occasion of Engineer's day 15th September 2022 Civil Engineering department organized Essay competition for SYCE & TYCE students under IEI student chapter. About 15 students from civil Engineering participated in this competition. To motivate the students to develop their creativity, thinking ability is main purpose of this competition. Mr. Anant Makhmale from SYCE and Ms. Vaishnavi Jadhav from TYCE secured first rank
