Rational

The Industry is growing at a fast pace, as far as technology is concerned. Day by day manufacturing technology is introducing advanced production techniques. Industry has to focus on the market needs and accordingly adapt to the latest technologies, processes and methodologies, etc. On the other hand institute has to focus on fundamental concepts in engineering, and nurture the young students as an engineer by creating an appropriate learning environment. Due to these different perspectives and goals of industry and the institute, there exists a huge gap between industry and institution. This huge gap must be bridged to take the students in the institute from theoretical concepts to practical requirements of industry. Looking at this scenario, with the intention of minimizing this ever increasing gap between industry and institutions we are taking initiative for this Memorandum of Understanding.

All India Shri Shivaji Memorial Society, established in 1917 by Rajarshi Chhatrapati Shahu Maharaj, Kolhapur, is serving the noble cause of education. Since its establishment AISSMS is catering to the various skills of the students in its military school, day school, college of engineering, pharmacy and hotel management. All India Shri Shivaji Memorial Society's Polytechnic was established by AISSMS in the June 1994 under the co-education system. The institute is affiliated to Maharashtra State board of Technical Education, Mumbai and approved by AICTE, New Delhi as well as Government of Maharashtra. Presently AISSMS's Polytechnic is conducting diploma courses in Civil, Automobile, Civil, Computer, Electronics and Telecommunication, Instrumentation engineering and Information Technology.
