To enrich intellectual potential by imparting technical knowledge and skills to become an IT professional.

Mission

M1: To confer the technical education and skills required for IT field.

M2: To imbibe social awareness in students to serve the society.

About Information Technology Department

We started our journey in the year of 2001.

Innovation with intellectual mind is essential in order to become a talented IT professional. The world of education is changing as the modern world continues to grow. In this modern day and age, information technology plays a big role. Information Technology is one of the most promising and rewarding field. Information technology is the study and use of systems for storing, retrieving, and sending information. This can include software, hardware, applications, and so much more. Business, education, and even healthcare have all been redesigned, thanks to information technology. Due to the importance and reputation of IT, the present age is sometimes referred to as information technology age.

I/C HOD Information Technology Department

It gives me immense pleasure to lead the department of Information Technology. An Information Technology degree is one of the most aspired degrees today for both undergraduate and post graduate students.Information Technology can be used widely in all the sectors of the economy and even in the education sector so it has become the most preferred career option all over the world. It offers a bright future for the innovative and growth oriented students.One of our main objectives is to overcome the gap between theories and practical that will help them to become career-oriented and to work at global level.The motto of our department is to provide quality education. Our Academic Staffs are all well qualified in the relevant areas. Academic standards, practical work, self-discipline and responsibility are the some key parameters as far as the Department is concerned.I wish all the Students and Faculties a great academic career.

Teacher's Day Celebration

Teachers' Day is celebrated annually on September 5 to mark the birthday of the country's former President, scholar, philosopher and Bharat Ratna awardee, Dr Sarvepalli Radhakrishnan.Our department TY &SY students celebrated teacher's day on date 05/09/2022.

Industrial Visits

Industrial   visits provide   the   students   with   an opportunity to learn practically through interaction, working methods and employment practices. It gives the students an exposure to current work practices as opposed to theoretical knowledge being taught at their college classrooms. As per MSBTE norms we organize industrial visits .One of them that company name NITS Global it's a networking company .
