

Vision:

To contribute the Society through technical education with strong ethics for enhancement of humanity.

Mission:

M1: To motivate technical students entrepreneurship.

M2: To develop industry relevant skills in students.

M3: To promote the value of ethical behavior, responsibility and commitment.

About Electronics & Telecommunication Department

We started our journey in the year of 2003. Electronics and Telecommunication cover vast areas in the field of engineering. Electronic and telecommunication engineering, is an engineering discipline where non-linear and active electrical components such as electron tubes, and semiconductor devices, especially transistors, diodes and integrated circuits, are utilized to design electronic circuits, devices and systems. Also passive electrical components and printed circuit boards are utilized for designing different electronic systems. Electronics & Telecommunication is a diverse field of engineering which is connected to all branches of engineering.

CAREER FORECAST:

- Electronics and communications engineering technology is a broad field concerned with the development, installation, testing and maintenance of communications systems.
- Companies in India for Electronics and Telecommunication are BSNL, MTNL, Defense sector, NPL, Telecom Department, Railways, Bharat Electronics Limited, DRDO, IBM, TATA consultancy services, Infosys, Hughes, Ericsson, TATA teleservices, Reliance, L&T Infotech, Microsoft, Ninescirpt Technologies Pvt .Ltd, Vodaphone.

ME (Electronics)

HOD Electronics & Telecommunication Engineering Department

It gives me immense pleasure to lead the department of Electronics & Telecommunication Engineering. An Electronics & Telecommunication degree is one of the most aspired degrees today for both undergraduate and post graduate students. Electronics & Telecommunication can be used widely in all the sectors of the economy and even in the education sector so it has become the most preferred career option all over the world.

For overall development of the students, Guest Lectures, Technical workshops, Soft Skill trainings and summer internships are arranged. Electronics & Instrumentation Student's Association (ELISA) helps the student to arrange various programs in the Department. It leads to develop the leadership in the student. Industrial Visits are arranged in every semester to expose the students to real world applications. The department has experienced and dedicated faculty members with strong commitment to the engineering education and professional ethics.

The Electronics and Telecommunication Department newsletter is a platform for sharing educational information, activities and events related. I hope that the newsletter will provide useful and relevant information. It is the intent of the department to make it semiannual publication to keep in touch with the departmental activities and achievements.

ELISA EVENTS 2018-19

TEACHER'S DAY 5th September 2018

Teacher's day was celebrated at department of Electronics & Tele Communication Engineering on 5th September 2018 by ELISA. The Students from class FY, SY and TY exhibited their talents as a treat to the teachers. Teachers also taken active participation in different games arranged for them by students. The students from TY expressed their thankfulness to see their teachers.

ELISA EVENTS 2018-19 was an event organized by E&TC department. In that technical paper presentation, blood donation, poster presentation, rangoli competition and different co-curricular activities such as chess, carrom, funfair, music corner, Shivjayanti and International Women's Day Celebration etc. are arranged at institute level.

Technical Paper Presentation Competition

Techno vision paper presentation competition was organized. In this competition 14 students were participated.

Blood Donation, Poster Presentation and Rangoli Competition

Fun fair and Music Corner

Chess and Carrom Competition

Expert Lectures

Expert Lecture on Automation

Expert Lecture on Social Awareness

Expert Lecture on SAP

Industrial Visits

Industrial Visit at Black Box Technologies

Industrial Visit at PARI

Visit at Technovision Energy Ltd

Visit at Manisha Engineers

Workshops

Workshop on PLC Programming

Faculty Development Program

Shivjayanti Celebration (19th Feb 2019)

International Women's Day Celebration (08th March 2019)

Student Achievements

Students of TYEJ, IS department won 1st Prize in paper presentation competition conducted by PDEA college of Polytechnic.

Students of TYEJ department won Runner Up Prize in Photography competition conducted by Allana Institute of Management Sciences, Pune.

Students of TYEJ/IS won First Prize in General Knowledge and Technical Quiz Competition held at Venutai Polytechnic, Pune.

Students of TYEJ won Runner Up Prize in Basketball Competition held at Satara

MSBTE Examination Summer 2018 Result

Congratulations!!!!

TYEJ			
Sr.no	Name of student	% Marks	Rank
01	Dhumare Gyatri D.	77.53	1
02	Sawant Nutan S.	73.35	2
03	Choraghe Shreyas L.	67.76	3
SYEJ
