

Vision:

To contribute the Society through technical education with strong ethics for enhancement of humanity.

Mission:

M1: To motivate technical students for entrepreneurship.

M2: To develop industry relevant skills in students.

M3: To promote the value of ethical behavior, responsibility and commitment.

About Electronics & Telecommunication Department

We started our journey in the year of 2003. Electronics and Telecommunication cover vast areas in the field of engineering. Electronic and telecommunication engineering, is an engineering discipline where non-linear and active electrical components such as electron tubes, and semiconductor devices, especially transistors, diodes and integrated circuits, are utilized to design electronic circuits, devices and systems. Also passive electrical components and printed circuit boards are utilized for designing different electronic systems. Electronics & Telecommunication is a diverse field of engineering which is connected to all branches of engineering.

CAREER FORECAST:

- Electronics and communications engineering technology is a broad field concerned with the development, installation, testing and maintenance of communications systems.
- Companies in India for Electronics and Telecommunication are BSNL, MTNL, Defense sector, NPL, Telecom Department, Railways, Bharat Electronics Limited, DRDO, IBM, TATA consultancy services, Infosys, Hughes, Ericsson, TATA teleservices, Reliance, L&T Infotech, Microsoft, NinescirptTechnologiesPvt.Ltd, Vodaphone.

Mrs. V. S. Gaikwad

ME (Electronics)

HOD Electronics & Telecommunication Engineering Department

It gives me immense pleasure to lead the department of Electronics & Telecommunication Engineering. An Electronics & Telecommunication degree is one of the most aspired degrees today for both undergraduate and post graduate students. Electronics & Telecommunication can be used widely in all the sectors of the economy and even in the education sector so it has become the most preferred career option all over the world.

For overall development of the students, Guest Lectures, Technical workshops, Soft Skill trainings and summer internships are arranged. Electronics& Instrumentation Student's Association (ELISA) helps the student to arrange various programs in the Department. It leads to develop the leadership in the student. Industrial Visits are arranged in every semester to expose the students to real world applications. The department has experienced and dedicated faculty members with strong commitment to the engineering education and professional ethics.

The Electronics and Telecommunication Department newsletter is a platform for sharing educational information, activities and events related. I hope that the newsletter will provide useful and relevant information. It is the intent of the department to make it semiannual publication to keep in touch with the departmental activities and achievements.

Yoga Day Celebration

On the occasion of International Yoga Day, All staff members of E&TC Department actively participated in Yoga Day Celebration Program. All staff members not only done exercise but also discovered the sense of oneness with themselves, the world and the nature. All staff members demonstrated various Asana followed by Omkar Chanting.

This activity was conducted on 22/06/2019

First Year Orientation Program

Prior to the beginning of classes, students are given an overview of the complete realm of technical diploma life, from academics to social activities, through a period of days referred to as orientation.

One Week Induction Program was arranged by AISSMS's Polytechnic for all First Year Diploma students from 19/08/2019 to 24/08/2019

Among all these days, one day is departmental orientation day.

E&TC Department HOD Mrs. V.S. Gaikwad addressed the students and highlighted about the various opportunities in E&TC field.

Mrs. M.T. Dangat, Lecturer in E&TC department introduced the students about various MSBTE online & offline activities such as Academic Calendar, curriculum, internal & external theory, practical exam, question paper and model answer paper etc. Also she highlighted Micro project concept which is newly introduced in I-scheme curriculum.

Also all first year E&TC students visited Departmental laboratories.

Teacher's Day Celebration (Teacher's Act)

Teacher's day is celebrated by Electronics & Telecommunication Engineering department students On 5th September 2019, the birth anniversary of the former President Sarvepalli Radhakrishnan, a well-known Scholar, teacher and promoter of education. On this special day, students celebrated the contribution of teachers. Also students from E&TC Department performed Teacher's Act.

Poster Presentation, Best out of waste & Power Point Presentation Competition

Under Institute of Engineers India (IEI) Students Chapter Activities SY & TY students of E&TC Department participated in different competitions such as Poster Presentation, Best Out of Waste and Power Point Presentation Competition. This competition was organized by E&TC Department and was conducted on 20/09/2019 Mrs.V.C.Sanap & Mrs.H.A.Shinde Lecturer from Computer Engineering Department were the judges for this competition who has examined interpretation & clarity of the theme.

Industry Visits

TYEJ Industrial visit at "Indradhanushya" Near Tendulkar park Pune on 17.09.2019

SYEJ Industrial visit at “EDM Electronics “ Manjari Pune on 28.12.2019

TYEJ Industrial visit at “NITS GLOBAL”J.M. Road, Pune on 28.12.2019

Guest Lectures

Aptitude Training Electronics and telecommunication department has organized an **Aptitude Training** for Third year Students .On date **22.07.2019** and **23.07.2019**. Aptitude trainings help reveal the natural talents, strengths and limitations that all the students have. And help students to develop and work on their skills which stands as an essential parts for their future.

Two days "Aptitude Training" for Third Year Students

Date:22.07.2019,23.07.2019

Guest Lecture On "Career Guidance on SAP" for Third Year Students

Date:15.07.2019

Guest Lecture : Electronics and telecommunication department has organized an Soft skill session On “**LIFE SKILLS**”for second year students on **date: 26.07.2019,27.07.2019.** where students learnt about**skill development** which is a critical component of a student's journey toward personal and professional success, as well as holistic growthof student.

Two days SOFT SKILLS Session On “LIFE SKILLS” for Second Year

Date:26.07.2019,27.07.2019

Guest Lecture On “Industrial Automation 4.0”by Mr. Mahesh Haridas Chitale
Date:30.08.2019

Guest Lecture: Electronics and telecommunication department has organized a Guest Lecture On “**Industrial Automation 4.0**” by Mr.MaheshHaridasChitale**Date:30.08.2019.** So that the students get adequate knowledge about automation, its revolutions and importance in the upgrading technology and implement the knowledge in their mini projects and future prospects.

Parent Teachers Meeting

During the academic year, E&TC Engineering department invite parents to come in for regular Parent-teacher meetings. In odd semester we held meeting on 3rd August 2019.
