## PROFILE

---

Dedicated educator with a background in software engineering, currently a Lecturer at AISSMS Polytechnic. Skilled in teaching core engineering subjects, simplifying complex concepts, and fostering collaborative learning environments. Previously worked as a Software Engineer, gaining hands-on experience in full-stack development, Agile methodologies, and delivering optimized software solutions. Combines academic expertise with real-world insights to mentor students effectively.

---

## PROFESSIONAL EXPERIENCE

---

### Lecturer

2024 Jan – present

*AISSMS Polytechnic*

Pune

Skilled at simplifying complex technical concepts, fostering a collaborative learning environment, and mentoring students to achieve academic success. Classroom management, and integrating practical examples into theoretical concepts.

#### Key Skills:

- **Subjects Taught:** Engineering Workshop Practice, Fundamental of ICT, Programming in C, Java Programming
- **Tools:** MS Office, Moodle, Online Teaching Platforms (Google Classroom, Zoom)

#### Experience Highlights:

- Delivered engaging lectures and conducted lab sessions for over 68 students in core engineering subjects.
- Designed lesson plans and assessments aligned with the diploma curriculum, ensuring clarity in learning objectives.
- Mentored students to successfully pass certification exams and improve their overall academic performance.
- Faced NBA Committee for internal assessment.

### Software Engineer

2022 Apr – 2023 Dec

*Think and Learn Pvt Ltd*

Bangalore

Motivated software engineer with a year of hands-on experience in full-stack development, problem-solving, and collaboration in fast-paced environments. Adept at delivering high-quality software solutions and optimizing existing systems. Strong technical foundation combined with Agile methodology knowledge.

#### Experience Highlights:

- Developed and deployed new features for two web applications, enhancing functionality and user experience.
- Refactored legacy code, improving application performance by 15%.
- Collaborated with cross-functional teams to deliver client-focused solutions.
